

What the HECK is "Scrip"?

- A fundraiser that earns \$\$ for YOUR child's trip account.
- Scrip cards are basically gift cards. Here's how the program works:
 - You put in an order for \$100 HEB card at ShopWithScrip.com
 - You pay Taylor Band \$100
 - The coordinator goes to the Scrip Company and buys a \$100 card for \$97, because HEB has a 3% "discount" amount.
 - The extra \$3 (\$100 - \$97) is deposited into your child's trip account.
 - Shipping charges are shared among all participants for an order and are deducted from the discount amount (so depending on the number of participants for a scrip order, a little less than \$3 would be deposited into your child's trip account).
 - You pick up the card and use it at HEB.
- Why is Scrip so GREAT?
 - You were going to spend \$100 at HEB anyway.
 - In addition to HEB, there are hundreds of other vendors, some with discounts as high as 15% or more. To see a complete list of businesses participating in the scrip program, the discounts offered, and the details of any conditions that may apply to the use of their scrip, go to www.glscrip.com and click on the **Retailers** tab.
 - It can really add up! It's all about getting into the habit of thinking ahead for making purchases.
- How can I get in the habit and earn a lot of money?
 - BE FAITHFUL! We will do scrip orders every other Thursday through the year. Drop by and we'll get you started...
 - Give scrip cards as gifts at holidays. There are vendor from all over the US, so you can send one to Uncle Fred in Albany...
 - Get friends/relatives to use scrip cards. The catch...only checks from Band Booster Members are accepted; however, your friends and relatives can use PrestoPay to make a payment.
- Best Part? It's a fundraiser that requires NO DUSTING, has NO CALORIES, and is money you were going to spend anyway! Remember, Scrip is NOT a fundraiser where you buy things you don't really want; Scrip is a fundraiser where you earn money by changing HOW you buy things you were going to buy anyway.
