

Taylor Band Boosters
Sustaining Memberships
2017-2018

Dear Katy Area Business Merchants, Community Members, and Band Families:

The Taylor High School Band Boosters, a section 501(c)(3) nonprofit public charity organization, provides financial support to the award-winning **James E. Taylor High School Band and Color Guard programs**. The JET Band offers a variety of educational and performance opportunities through its five concert bands, marching band, jazz ensemble, winter guard, and private lessons program. Student participation in JET Band builds academic excellence, discipline, character, pride, and self-confidence at a crucial age that forms the springboard to even greater achievements in adulthood. The JET Band has received many consecutive 1st Division ratings at UIL Marching and Concert & Sight Reading Contests, as well as numerous marching & music festival awards. Of particular note in 2017 the band placed 7th in Prelims and 8th in Finals at the BOA Conroe Regional, 3rd place at the Battle of Berry, advanced to the UIL Area Marching Finals, and we received Sweepstakes at the UIL contests. The JET Band program provides students a truly outstanding educational experience, one which is greatly enhanced by the tremendous support from the Taylor Band Booster organization.

Sustaining Members of the Taylor Band Boosters are individuals, businesses, or corporations who make tax-deductible donations to the Booster organization, which in turn helps the band meet vital expenses such as contest fees, travel costs, equipment, supplies, repairs, and clinicians. Sustaining Members recognize and appreciate the hard work and dedication of the JET Band's talented students, and the Boosters reciprocate by recognizing Sustaining Members as follows:
