

# Mum-A-Mia... Mums are here!

Even though summer just got underway, the 2008 Fall semester is right around the corner with marching season, football games, and HOMECOMING... and that means awesome one-of-a-kind Mums and Garters made by the Taylor Mum-a-Mia's! **Come join us in making and selling mums to benefit JET Band.** The sale of Homecoming Mums, made by band volunteers, is JET Band's biggest, most successful fundraiser of the year.

No prior experience is required and we'll be happy to train you. There are jobs from the most simple (cutting ribbons or letters) to the highly creative mum designers, and everything in between. Novices and experts alike can help.

And if you aren't the artsy-craftsy type, then help us sell mums to Taylor students. Mum sales are easy and fun, not to mention giving you a great reason to hang out at school and get the full scoop on what's going on! We also need volunteers to help with quality control and distribution of finished mums.

Because **Homecoming is September 12**, only 3 weeks after school begins, we will be working on and selling mums before school starts. We are working **every Tuesday in June from 9 AM to 2 PM at the school.** Check out JET Band's website, [www.jetband.org](http://www.jetband.org), throughout the summer for updates on the mum-making and mum-selling schedules. A map showing the location of the Mum Room (by THS Classroom 164) is on the website as well. Order forms and photos of the mum mobile will be posted soon to make it easier to pre-shop at home. ***With our very early Homecoming schedule, please encourage your kids to start thinking about homecoming and ordering their mums/garters near the end of the summer!***
