

Dear Panther Family,

September is Childhood Cancer Awareness Month and the Panther Football Team has decided to take a stand and tackle childhood cancer. Each year, the parents of approximately 15,700 children will hear the words, “your child has cancer.” Every day, 43 children are diagnosed with cancer and 1 in 8 children diagnosed with cancer do not survive. Because children cannot fight cancer alone, the Cypress Springs Panthers have decided to team up and tackle this cause.

The Cypress Springs Panthers and Katy Taylor Mustangs have decided to **TEAM UP TO FIGHT CHILDHOOD CANCER** and **GO GOLD FOR THE CURE** with a **GOLD OUT** football game at CFFCU Football Stadium on Thursday, September 5, 2019 at 6:30 pm. We want to turn our stands **GOLD** for this game.

We will raise money and awareness by purchasing **GOLD OUT** t-shirts from “**TEAMING UP TO FIGHT CHILDHOOD CANCER**” and wearing the t-shirts to the game on September 5. The **GOLD OUT** shirts cost \$10.00 with \$7.00 going directly to Pediatric Cancer Research. Order forms and payment may be dropped off in the Cypress Springs Athletic Training Room. We accept cash only and all orders must be turned in and paid for by 2:45 pm on Friday, August 30, 2019. Please make sure that the order form is filled out with all required information. You will be contacted via email when the shirts are in. You will pick up your shirt in the Cypress Springs Athletic Training Room.

Also, during the game donations will be taken that will benefit Pediatric Cancer Research. We will announce the donation totals on the Cypress Springs Athletic Webpage. Anything you can contribute will help.

I hope you are as excited as we are to Tackle Childhood Cancer because kids can't fight cancer alone.

Athletically,
