

What: System Blue Educational Camps sponsored by the 18 time World Champion Blue Devils Drum & Bugle Corps from Concord, California. This is an optional camp, but it is highly recommended. The Blue Devils are to the marching arts what the New England Patriots are to the NFL. This is a great opportunity to learn from the best of the best and get excited as we are about to embark on our own summer band.

When: July 18-19, 2019

Where: James E Taylor High School (July 18) and Legacy Stadium (July 19)

Fee: The normal registration fee is \$180 plus a \$10.29 processing fee. Since we are hosting the camp, JET Band students receive a discount using promo code COLONEL (\$60 + \$4.13). That covers lunch both days, the instruction, a booklet, a t-shirt, drum sticks (for drummers only) and a ticket to the DCI Show (a \$35 value).

To find out more information & register, visit <https://systemblue.org/events/2019/katy/>

Once on the registration page, click the blue ENTER PROMOTIONAL CODE button and type COLONEL to receive the discounted price. Then enter a credit card and billing info.

This discount code is only good through June 13th, so please do not procrastinate if you are planning on attending. If you register after June 13th, you will have to pay full price.

You will be responsible for all of your own transportation, including to and from Legacy on Friday.
